## You are under no requirement to pay a fee

Organisations that do not decide how personal data is processed are exempt. You therefore do not have to pay a fee to the ICO

However, it is important that your organisation adheres to the principles of the General Data Protection Regulations and understands best practice for managing information. To help ensure you are complying with the GDPR, we have produced a range of [training materials](#) including practical toolkits, training videos and more.

Even if you are exempt, you may still wish to [pay a data protection fee](#).

The UK's independent authority set up to uphold information rights in the public interest, promoting openness by public bodies and data privacy for individuals.
